

devices/kbc/i8042.h

```
graph TD; A[devices/kbc/i8042.h] --> B[lcom/lcf.h]; A --> C[minix/sysutil.h]
```

The diagram illustrates the dependencies of the header file `devices/kbc/i8042.h`. It is represented as a central box at the top, with two arrows pointing downwards to two separate boxes below it. The left box contains `lcom/lcf.h` and the right box contains `minix/sysutil.h`. The top box has a dark border and a light gray fill, while the bottom boxes have light gray borders and white fills.
